We will
SOLVE
this together.

S **tigma is reduced.** We commit to addressing life-threatening community stigma that acts as a barrier to treatment & recovery.

O **wnership is shared.** We commit to addressing this epidemic collectively and using all of our resources and all of our systems to care for all of our people.

L **earning is continuous.** We commit to ongoing work to understand best practices, to learn from latest research, and to evaluate our own efforts.

V **alues are foundational.** We commit to cultivating responses rooted in the shared values of our community, including faith-based groups.

E **quity is centered.** We commit to comprehensive action that works to ensure the needs of all groups within our community are being addressed.

GOALS OUTLINED IN STRATEGIC PLAN

1 Prevent harmful substance use

1

- 1.1 Targeted support for at-risk youth and families
- 1.2 Leverage peer support networks and community advocacy
- 1.3 Engage faith communities in education and stigma reduction

2 Support treatment and recovery.

2

- 2.1 Adopt treatment models for justice-involved individuals
- 2.2 Enhance healthcare networks to improve continuum of care
- 2.3 Develop community supports for recovery

3 Reduce harm

3

- 3.1 Universal access to naloxone
- 3.2 Improve health and safety for people who use substances
- 3.3 Eliminate accidental exposures to drugs and paraphernalia

EXECUTIVE COMMITTEE

- The Executive Committee **reviews funding proposals** from subcommittees
- If Executive Committee votes to approve a funding proposal, it must then go **before the Opioid Task Force** for a vote
- If the Opioid Task Force approves, the Executive Committee shall propose the project to the **Harnett County Commissioners** for formal approval

TIMELINE

- **February 2024:** monthly subcommittee meetings began
- **March 7, 2024:** Recovering Hope Conference
- **April 11, 2024:** Executive Committee reviewed and unanimously approved naloxone funding proposal
- **April 18, 2024:** Opioid Task Force reviewed and unanimously approved naloxone funding proposal
- **May 1, 2024:** jail launched Phase II of MAT/MOUD
- **May 6, 2024:** County Commissioners adopted resolution to allocate settlement funds to community-based naloxone distribution
- **May 6, 2024:** County Commissioners voted to accept \$98,000 in Reaching Rural grant funding to go towards the Jail Re-entry Navigator's salary

MAIN ACCOMPLISHMENTS TO DATE

1

Prevent harmful substance use

- Harnett County Schools hired Clinical Social Worker to serve students
- Campbell University and local faith leaders led Recovering Hope Conference
- Continued collaboration with community- and faith-based organizations

2

Support treatment and recovery.

- Sheriff's Office initiated Phase I of MAT/MOUD in jail (continuation of MAT/MOUD for existing patients)
- Sheriff's Office hired Jail Re-entry Navigator to provide critical support
- Sheriff's Office initiated Phase II of MAT/MOUD in jail (inducting new patients onto MAT/MOUD treatment)
- Community Paramedicine program continues to expand to support individuals navigating substance use disorder

3

Reduce harm

- Harnett County Health Department distributes free Narcan to individuals and community-based organizations
- County Board of Commissioners has allocated \$20,000 to Narcan for community distribution
- Harnett County Schools has equipped each campus with Narcan
- Harnett County Schools has trained over 100 staff members to administer Narcan and continues to train more
- Harnett County Schools is preparing to launch pilot program for Narcan kits on school buses
- County staff has arranged to receive an allocation of free Narcan from Alliance Health

WHAT'S NEXT

- Collaborating with Health Department to create policies & procedures for community-based naloxone distribution
- Coordinating Peer Support services with the help of Alliance Health
- By the beginning of the 2024-25 school year, Harnett County Schools intend to...
 - Train all HCS staff members to administer Narcan
 - Launch pilot program for Narcan kits on all school buses
- Collaborating with community members to support a parent advocacy group
- Expanding Post-Overdose Response Team
